CENTER FOR WELLNESS AND MEDICAL PROFESSIONS NEWSLETTER

February 2011

## From the Desk of Mr. Price:

Dear Center for Wellness and Medical Professions Parents, Students and Staff,

Second semester is well underway! I would like to thank our students and staff for a great first semester. I continue to be impressed by the effort and positive conduct of our students, as well as the caring work that our faculty and staff do for our CWMP family. It is a privilege to watch how our students and staff come together as a family and team. Great job to all!

As we progress in the second semester, CNA clinical experiences for our senior students have already begun. I have received excellent reports on our students' performance during first semester Allied Health clinicals and I am proud of them. We thank our medical business partners for providing the positive real life experiences to our students.

We also are involved in our assignment process for the class of 2015. We have had a great turnout for the Magnet Fair at Northeast High School and look forward to Discovery Night on February 2<sup>nd</sup>. We also have had a very successful experience hosting our second Region 4 West HOSA Competition. The event went well with great student and parent participation. We had approximately 120 students qualify for the HOSA State Competition in Jacksonville this spring. A special thanks to Mrs. Colleen Glass and our nurse instructors for all their hard work in organizing this event. It was a great success!

I also am grateful to our positive parent support of the program. Our Medical Magnet Parent Boosters are a positive support system that gives great service to our students. Thank you so much! I encourage all parents to become involved to support your students.

I am looking forward to a great second semester filled with HOSA State and National Competitions, field trips, clinicals, Grad Nite, Freshmen Pinning, FCAT testing, Senior Celebration, Bright Futures and Gold Seal Scholarship Awards, Winter and Spring sports, and finally, Graduation. Once again, thank you for a great first semester! Always, students, remember to search for your professional passion and always do the "right thing".

*Stephen A. Price*

Assistant Principal/Program Coordinator  
Center for Wellness and Medical Professions

## PHUHS MISSION

The **VISION** of PHUHS is to provide a learning environment that results in a graduation rate of 100% each year.

The **MISSION** of PHUHS is to educate all students by using effective systems that promote lifelong learning.

## Remaining Test Dates

February 2011

## Medical Magnet Booster Club

Please consider coming to our next meeting if you haven't been able to attend a meeting yet this year. It's not too late! Our next meeting is February 8, 2011 in the Teaching Auditorium at 7:00 P.M.

During the first semester we were fortunate to have many teachers from the program join us at our meetings. Kathy Brewer, Becky Bride and Rob McCoy came to speak from the math department. From the science department, we have heard from Brenda Collias and Lori Bauck and from the Medical department Maggie Miller and Sharon Ungs have given presentations. Ms. Valerie Jackson represented the English department and explained how they relate language arts with the biology department. It is always interesting to have a chance to hear from your children's teachers.

Guidance Counselor, Pennie Funsten and Program Director, Steve Price continue to keep us informed about testing, college entrance requirements and sources for scholarships. They also keep us up to date with news regarding the Medical Magnet program and PHUHS.

One of the important parts of our meetings is the input we receive from our students from all grade levels. Hearing the students describe their clinical experiences makes you proud of the program and students. The highlight of our last meeting was a presentation from a HOSA team who demonstrated their competition entry about Obesity in America, in the competition category of Community Awareness Project.

The Annual Holiday Luncheon was a delicious success thanks to our many volunteers and generous members who donated food, time and money for gift certificates. The luncheon had an international theme

with an impressive assortment of food from various countries! All of our teachers and staff members have been "adopted" by Booster Club members who support them with their classroom needs as well as remember their adoptee for special occasions.

Thank you to all of volunteers from the Booster Club who helped host the HOSA regional competition at Palm Harbor University High School on Jan. 21<sup>st</sup>. Volunteers helped sell Chick- Fil- A sandwiches, drinks and snacks to the HOSA students attending the competition. This was a good fundraiser to help raise money for state and national competitions to come.

Discovery Night is February 2nd, so please get the word out to your friends and neighbors who may be interested in the Medical Magnet program. There will be students, teachers and administrators on hand that night for any families who want to learn more about the Medical Magnet program at Palm Harbor University High School. Our members will also donate cookies to serve.

This year we are again having a fundraiser. We felt that this was necessary due to the increased cost for our Senior Celebration. We have very nice throws and plush beach towels. These are very nice quality. Please support us by buying a towel and/or a throw.

In May, we will elect Directors/Officers and I hope that you will consider becoming a Director/Officer of the Booster Club or volunteering to be a chairperson for one of our committees.

Hope to see you at our next meeting.

*Trudy Little*

President PHUHS Medical Magnet Booster Club

## Attention All Seniors!

Seniors, mark your calendars and budget your funds!

The PHUHS web site is undergoing changes. If the senior web page link is not listed under the main headings, look for it under the "Info/Communication" heading. Also, you can access the senior page directly through Mrs. Bauck's web site: <http://kwanga.net/senior-class.htm>

### Senior Celebration

May 21, 2011

This year's Senior Celebration event will be held on May 21, 2011 at Innisbrook Resort. Preparations are well under way to make this year's Semi-Formal event a great success. It is a wonderful evening honoring our seniors and their families. A professional photographer will be there to take your family's portrait and capture your student receiving their graduation cord! Watch for your invitation !!!!!

### Grad Night

May 6, 2011

Disney Grad Nite is Friday, May 6, 2011. Ticket sale: Feb 28-March 11. Price: \$95  
Two permission forms should be downloaded, completed and submitted with payment.

### Senior Breakfast

May 27, 2011

Senior Breakfast is May 27, 2011 at Innisbrook. Tickets sale: March 14—March 24. Price: \$20  
Four permission forms should be downloaded, completed and submitted with payment along with a photocopy of the driver's license and current auto insurance card of the person driving the student.  
Check the senior web page for more details.

## PHUHS Success Stories

**Ashley Jantschek**, a 2007 graduate of Palm Harbor University High School Medical Magnet program, was recently crowned 2010 Homecoming Princess during the Florida State University vs. North Carolina football game.

Ashley is currently a senior in FSU's College of Business, majoring in finance with a minor in risk management/insurance. As a junior, she served as vice president of finance and was president of the executive board for the FSU Panhellenic Association.

**Alex Chamberlain**, a 2004 graduate of Palm Harbor University High School was recently promoted to Executive Director of Easy Living Inc., a home health care business in Clearwater. After being promoted from a staffer to Executive Director, Alex realized he could take his passion for business and apply it to the field of home health.

Alex is paying it forward by reaching out to his former stomping grounds, Palm Harbor University High School. He wants to provide students in the medical program with real-world experience in the home health care field. He has joined the School Advisory Board and provides information on what's new in the home health arena. Alex plans to offer Palm Harbor students the opportunity to shadow home health aides and observe what goes on in the office.

Mr. Price believes that successful partnerships with businesses in the community like Easy Living helps give the our kids a chance to have an industry certification and gives them a foothold into the industry.

This summer, Easy Living finished fourth in the *Tampa Bay Business Journal's* list of the region's 50 fastest growing companies.

## Ms. Tatem

Thank you for all your hard work and dedication over the past 13 years of service. It has been a pleasure knowing and working with you. We are really going to miss you! You have helped run the medical magnet program with such grace and always with a smile. Thank you for always being so pleasant and nice to everyone you encountered. You have touched so many people with your hard work and positive attitude. Good luck and have fun with your grandchildren. You are a true blessing. We will miss you!

— Medical Magnet Parents

Francine was simply the Best! She helped me immensely with the transition to the Medical Magnet. A wonderful person to work with! I will miss her!

— S. Price

Francine Tatem has been a wonderful co-worker and genuinely caring person. Her role as the CWMP secretary is admired by everyone at PHUHS. She is a great communicator and is so organized and efficient. She is always so professional and works great with the faculty, parents, students and staff. She is a joy to work with and will be hard to replace and will be missed. Francine is truly a great person and is wished only the best in her retirement years!

— Colleen Linning

Thank you for everything you have done for the Medical Magnet Booster Club! Your support, patience and dedication has been so very valuable. We will miss you! Much luck and happiness to you and your family.

— Medical Magnet Booster Club

Thank you for being such a wonderful co-worker and friend. We will all miss you.

## Congratulations

Congratulations to our 10th grade medical students for winning the Salvation Army's award for most food donated from a high school in Pinellas county for the 4th year in a row. In November, 150 sophomores collected over 3,000 cans to go to food centers. In the past four years PHUHS medical students have donated over 13,000 items to the Salvation Arm food bank.

## Cookies For Discovery Night

*February 2nd 6:00-8:30pm*

The Medical Magnet Booster Club has provides cookies and lemonade for Discovery night every year. If you are able to donate three dozen cookies, please email Shani Davis at shani@robpri.com. Cookies can be store-bought or homemade. Cookies can be brought to the front office or send to school with your student on February 1st and 2nd. Thank you so much for your help in making Discovery Night a wonderful experience.

## Box Tops

Please keep clipping your Box Tops for Education and Campbell's soup labels and drop off to the front office in an envelope for Mrs. Weaver. Thank you for your help!
