CENTER FOR WELLNESS AND MEDICAL PROFESSIONS NEWSLETTER

February 2012

## From the Desk of Mr. Price:

Dear Center for Wellness and Medical Professions Parents, Students and Staff,

Second semester is well underway! I would like to thank our students and staff for a great first semester. I continue to be impressed by the effort and positive conduct of our students, as well as the caring work that our faculty and staff do for our CWMP family. It is a privilege to watch how our students and staff come together as a family and team. Great job to all!

As we progress in the second semester, CNA clinical experiences for our senior students have already begun. I have received excellent reports on our students' performance during first semester Allied Health clinicals and I am proud of them. We thank our medical business partners for providing the positive real life experiences to our students.

We also are involved in our assignment process for the class of 2016. We have had a great turnout for the Magnet Fair at Northeast High School and at Discovery Night. We also have had a very successful experience hosting our third Region 4 West HOSA Competition. The event went well with great student and parent participation. We had approximately 100 students qualify for the HOSA State Competition in Jacksonville this spring. A special thanks to Mrs. Colleen Glass and our nurse instructors for all their hard work in organizing this event. It was a great success!

I also am grateful to our positive parent support of the program. Our Medical Magnet Parent Boosters are a positive support system that gives great service to our students. Thank you so much! I encourage all parents to become involved to support your students.

I am looking forward to a great second semester filled with HOSA State and National Competitions, field trips, clinicals, Grad Nite, Freshmen Pinning, FCAT testing, Senior Celebration, Bright Futures and Gold Seal Scholarship Awards, Winter and Spring sports, and finally, Graduation. Once again, thank you for a great first semester! Always, students, remember to search for your professional passion and always do the "right thing".

*Stephen A. Price*

Assistant Principal/Program Coordinator  
Center for Wellness and Medical Professions

## PHUHS MISSION

The **VISION** of PHUHS is to provide a learning environment that results in a graduation rate of 100% each year.

The **MISSION** of PHUHS is to educate all students by using effective systems that promote lifelong learning.

### 2012 Football Cheerleading Tryout Information.

Information Meeting in Room 5-204 at  
12:45pm on February 15th.

All paperwork is due on March 14th in Room 5-204.

Tryouts are the week of March 19-March 22.

Squads will be announced March 23rd during 7th period.

The February Booster Club Meeting has been changed to Feb. 7th due to holiday events on the 14th. We will meet at the same time and location in the Teaching Auditorium at 7pm. The Sr. Celebration Committee will also meet on the 7th at 6pm. Please join us to find out more about Sr. Celebration and how you can help make this memorable event the best it can be. We Need You!

## Medical Magnet Booster Club

Please consider attending our next meeting. We will be meeting Feb. 7<sup>th</sup> which is a change from our normal meeting of every second Tuesday. Mark your calendar; it's not too late to get involved!

During the first semester we had several teachers come out and share with us what was going on in the classroom. We heard from Lori Bauck and Brenda Colias from the science department. Becky Bride and Kathy Brewer gave an update from the math department. Sharon Ungs and Maggie Miller represented the medical classes and brought students to share HOSA activities they've done. Mr. McCoy and Ms. Pocklington gave us a mathematics curriculum update and Ms. Jackson summarized the events from the English department.

Guidance Counselor, Pennie Funsten, and Program Director, Steve Price continue to keep us informed on topics such as testing, college entrance requirements, and dates and news important to the Medical Magnet program. The highlight of our meetings is hearing first hand from the students and their experiences in the program. Their dedication, success, and pride show what a great program we are lucky enough to be a part of!

Discovery Night was in November this year. We had plenty of donations of cookies and lemonade for potential new families. Thank you to all who donated for this event.

The annual Holiday Luncheon was a delicious success thanks to our many volunteers and generous donations of food and gift cards. Teachers were served a warm lunch and given a gift card on behalf of the medical magnet families before they left for the winter break.

All of our teachers have been "adopted" by Booster Club members who support them with their classroom needs.

Thank you to all of the volunteers who helped host the HOSA completion on Jan 20<sup>th</sup>. This is a huge undertaking that is a success only because of booster volunteers who helped judge or serve food to the competitors.

We have shirts and tumblers for sale. T-shirts are \$10.00 and tumblers are \$5.00. They are available at the monthly meetings.

May will be here before we know it and we will be electing officers and chairpersons for the Medical Magnet Booster Club. We currently have open positions so come out and see how you can be a part of this vital organization. See you the second Tuesday of each month at 7:00 in the Teaching Auditorium. (Remember Feb. meeting has been moved back to the 7<sup>th</sup>.)

Looking forward to working with you as we support the students and teachers of the best program in Pinellas County!

## Save the Date

### Senior Celebration for the 2012 Medical Magnet Graduates

*When: Sunday, May 20, 2012  
5:00 – 7:30 pm family dinner & banquet  
8:00 – 10:00 pm student dance*

*Where: Innisbrook Resort, Palm Harbor,  
Inverness Hall*

*What: Special Evening for 2012 graduates and their  
families*

This is a semi-formal sit-down dinner with a banquet consisting of entertainment, speakers, presentation of awards, medical cords, and certifications earned in the program. Once the dinner program ends, the students will stay for a dance. This is the last time the entire medical class will be together as a group. You do not want to miss this.

The cost for the student is paid for by Morton Plant Mease Healthcare. Each additional adult is \$45, with special pricing for children. Please start saving today in order to attend this special evening. Invitations will be mailed the first week of March.

*Sponsored by Medical Magnet Booster Club*

## Guidance News

### Seniors

- Seniors must complete the Bright Futures application online NOW at : [www.floridastudentfinancialaid.org](http://www.floridastudentfinancialaid.org)
- If you do not complete this simple application, you will not be evaluated for Bright Futures! Check out the following website more information.
- <http://www.phuhs.org/downloads/guidance/Bright%20Futures%reference%20sheet.pdf>
- All seniors must document community service hours on the required paperwork to qualify for Bright Futures. (See Ms. Funsten for paperwork).
- All seniors must complete the FAFSA no later than May to receive a Bright Futures Scholarship. For more info go to:<http://www.fafsa.edu.gov>
- If you need assistance completing the FAFSA, attend a "help session" at the following website.
- <http://www.phuhs.org/downloads/guidance/FAFSA%20Flyer.pdf>
- REMINDER: All CWMP Volunteer hours (200) are due to Mr. Price and Ms. Funsten by May 1, 2012.

### Juniors

- Register for an ACT and SAT exam this semester.

### Remaining Test Dates

#### SAT National Test Dates For 2012

Test Date	Registration Deadline	Late Registration Fee Required
March 10	February 10	February 24 (late fee)
May 5	April 6	April 20 (late fee)
June 2	May 8	May 22 (late fee)

Register online at: [www.sat.collegeboard.com](http://www.sat.collegeboard.com)
